I am not sure since when
I am not sure why
But
Since I was very young whenever I saw pretty girls, I had my heart pumping fast rather than being jealous
Among many girls there was a girl named Yuri
She was so small and cute that I could not get my eyes off
JS

Wow
Look at these
flowers
They are so pretty
That weak and
pretty vo ce of
hers
Suk Ha
When she called me wth closed
b g and pretty eyes and sm Ing
face mysterously my heart
pumped Ike crazy
She who had everyth ng
I did not have
She was env ed
by every
boys n the town
JS

Whenever I was with her, I was proud
Uh... that child is like a doll...
N, no it's all right
Wow, so pretty
Thanks for taking me to home every-day
It was a great pleasure that I was her best fr end I loved the endless sl ghts pour ng on us
You are father and I am mother
Here dear have your breakfast and go for work
When we were play ng games. It was my happ est t mes I really felt as f we were a couple

I really did not want to be away from her.
As long as I could see her smile, I thought
everything was fine. I wanted to be a speical
person for Yuri.
I thought it was good enough as long as I could
be with her.

So I told her

The smartest kid n town :
Let s say you don t know anyth ng because you are too young But st ll do you even th nk you are mak ng any sense ?
Hyeon Myeong Choe (H s name) Why are you suddenly p cking on me, smart ass
As a ne ghborhood cous n I ve kept my mouth shut But th s has gone way too far Th s has to end I mean now
You wanna get beaten ?
Don t Suk Ha
scoff How gnorant of you, try ng to solve everyth ng by f sts
You may not real ze that you are d fferent from others But I can see it clearly

I was always wonder.ng whenever I saw you and your play You wouldn't let boys approach the g rls and act as f you own the g rls You put a barr er around you and the g rls
?!
? ?
So I searched the Internet for a whole n ght, and came up with the name of lness you havve

Dork he speaks too much I don't get it at all
He's too smart

Anyway the resut i In short I've found out that your sexuality s ser osuly d fferent from others

You are a Lesbian !!!
The word, Lesbian, can sound like "Around you" in Korean if heard awkwardly wrong
It was someth ng that d alter my l fe forever
Around me? Around you? What?
He sa d around you.
Idiots !!

Not "Around you" but Lesbian it's no wonder kids like you don't know about it Anyway you are not normal You are abnormal
Jerk How old are you then You are a kid like me Besides I don't miss eyes or nose I am normal..dork
Not the body..but the spirit Your spirit is not normal You just proposed her to marry you! A marriage is supposed to happen between men and women! Don't you already know that?
Don't make me laugh!! You can marry anyone you like
Are you really an idot? Girls are not supposed to like girls! Women to men! Men to women! That's how it is supposed to work
HO
Shut up! Who made such a rule?

... He is right, Suk Ha ....
Yuri, he is lying right? He is joking, right, right ?!
I was told a girl s not supposed to marry a girl
What? Who said that?
It's not something that is said It is the nature.

Maybe it s not your faut at all From a site I read that there are many reasons how one may become a homosexual
Try ng to escape from the reality may cause aterat on to your sexuality And one may encounter hardsh p from broken fam ly wh ch g ves illness to your sexuality
Or when there is an ssue with your pheromone
Or when you get shocked and have your nerve system damaged wh le you are in your mother s uterus
Etc etc
Do you perhaps have hatred aga nst males so that you cannot love normally?
Or d d your mother get shocked wh le she was pregnant? Or maybe someth ng s wrong with your DNA
I d dn't know what the hell he was mumbl ng about All I knew was that I d d not ke it

CRASH!
H.O.T.
Suk
Ha !
H.O.T.
Yur don't sten to them You trust me, r ght? I've always protected you
O Ok
I d dn't know that he was right all along

We are going to marry when we are adults...
...O, ok .....
And I didn't know that the world would never accept the love between us or my love
Shall we go eat spcy rce cake ?
Really? I can eat Soonde too ?
As if his words were magcal spells what he sad was left and perced n my mnd
Soonde Hard to explain, it looks like vscera It's filled with blood soaked noodle made of rce It's cooked by streams from boling water

I realized what he meant after a long time.
I realzed my sexuality was completely d fferent from the others

10 years later
So what ?!
Stop sn ff ng and say it already! You sa d you have a plan?
You must meet me at the school tomorrow morn ng~ You w ll come right right? I cannot do it alone T_T
Ah you are really bothersome guy Why are you so obsessed with that stup d name of yours?

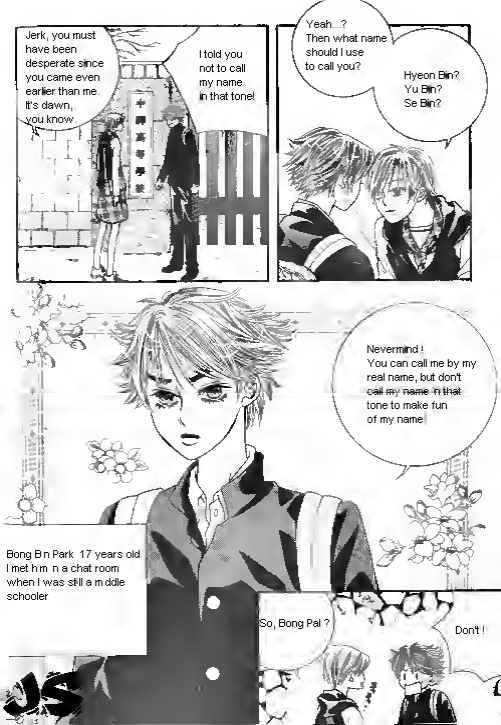
Oh ~
Hey ~,
Bong Pal !!!



Jerk, you must have been desperate since you came even earlier than me. It's dawn, you know.
I told you not to call my name in that tone!
Yeah...? Then what name should I use to call you?
Hyeon Bin? Yu Bin? Se Bin?
Nevermind! You can call me by my real name, but don't ~~call my name in that~~ tone to make fun of my name!
Bong Bin Park 17 years old I met him in a chat room when I was still a middle schooler
So, Bong Pal?
Don't!

All right all right
Sorry, Bong Bin
Really
Do you think that name suits me?
My name is not good enough for my beauty
At times like this I really hate my father for giving me such a name
The name of chat room I met him was "Utopia of Homosexuality"
What's so bad about "Bong Bin"? I think it sounds cute and it's a comforting name
it's easy for you to say
Why do you think singers use fake names?
Gab Seon No
Chung Jin Park
Chi Yun An
Pil Gyun Jong
Yeong Deuk Lee
Why do you think they all use fake names?
He and I both of us have something in common
Their managers probably told them to

His first love was a boy, and my first love was a girl (Yuri)....
That's because their names are not appropriate for their cute and pretty appearances ! Why do you think they call rose rose? That's because it's not appropriate to call it pumpkin !
You really th nk you are cute and pretty ?
So you stu ded Snce when d d you know s nger s real names?
You don't know how desperate I am !
That s r ght We are homosexuals
Yeah yeah If I don't understand you who could ?
All r ght let s do it Bong Bn Park s attendance book forgery plan
What s up wth that title

...I want to believe so ....
JS
So, we consider each other to be very special friends.
Ah ~ I heard the building was new. It's really clean and cool.
Sshl Be quiet! What if someone sees us?!
교무실
Hey, it's 5 in the morning. No one is around here, don't worry, pal.

JS
But those girls who whisper that I am cute , handsome, and the like.. I feel supportive for them. Isn't that human nature?
Besides, I often hear that I am prettier than most girls
I w ll fn sh you neatly
What what ?
Bong Bn no Isn't that Hyo Bn ?

Ohoh~
She is the famous.....
Finally a chance to see in person!
For 2 years since she entered Jung Seon High school, she has been Boss of the school and even conquered the position of No 1 Boss in the whole country!
A tiny spoiler
And she's Suk Ha's older sister
They even have an official homepage and have a fan club of over 10 thousand members
The main character of legend and the most beautiful woman in Jung Seon High school
Suk In Jung

So you are the infamous Da N who entered th s school ?
By just looking at your appearance, it seems the rumors are true
...I seem to have a lot of visitors today.....
I suppose I should be glad.

OH, My God
JS

JS
So you are going to challenge me with that face of yours How ridiculous
What are you talking about? Who are you telling me to challenge you? Do you think I have that much of free time ?
Shut up ! I am not "you" I am your senior
"scoff" No matter how hard you try as always Miss Jung Seon will be me

This school, no, this world, no one can surpass the beauty of mine !! Of course !!
See you in the contest next month. Of course, I don't intend to play fair. It's cruel world out there.
Ridiculous I am not interested in such an event
Even if you are not interested with the face of yours you will be bound to enter

If you want to blame someone, blame yourself for being a little better than the others
Well, even so, you will be nothing but something to laugh at though
Let's go, girls.

appear here for?!
Spoiler : Suk Ha doesn't
really like her sister.
You will find out
soon why.

JS
What ?
You are nfatuated wth her ?
Bong Bn you should have seen her
She was really Wow
I have never seen pretty g rl ke that
When I saw her I almost choked myself
Even so she almost k lled us on purpose
If the pot ht your head you d have d ed nstantly for sure

JS
Dude She slipped her hand over the pot It was a mistake Don't say "on purpose" or things like that
Dork the world is actually brighter than you think
You were the one who went berserk remember ?
Anyway The devil woman is going to get her hand on her What am I going to do ?
Note
In Korean language there are two terms that are used to call "Older woman" or "Older sister"
Males call them "Nuna"
Females call them "Eonni"
Bong Bin as a male called Suk Ha's older sister "Eonni" which is not appropriate
부시럭
Who ?
Suk In Eonni ?
"Nuna you should say You are getting more perverted
I just like sound of the term that's all"

Anyway, this is relaly an big issue ...
I had no idea that she was facequeen of the school... Where do they find her face beautiful anyway? Are they blind or something ?
Faceqeen? What's that?
Jerk don't you know anyth ng? The most beaut ful woman n the school!
Oh yeah ? New words are created everyday It s hard to keep with
Hah as you know she s mal c ous and d rty Even when she was young no one could stop her
EEK!
JS

She bullied a girl in her class just because she had the same bell as her
This s s is a bit hungry Care to donate some dough ?
Ah yes yes
She picked on guys randomly
She formed a gang and did every bad thing you could name
She's an existence that draws your dark should-be-bright past

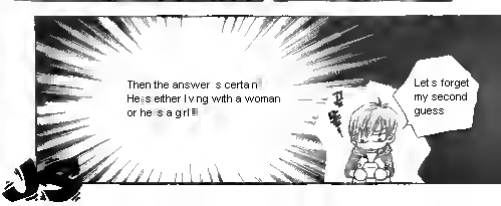
Oil

What
How come this is here
in a guy's apartment?

Could it be
Is he living with
a woman?
But this is
one-room
apartment
And there is only
one bed



Then the answer is certain
He is either living with a woman
or he is a girl
Let's forget
my second
guess

Wait, wait !!
...I may be imagining too much but...
... this thing may be related to
Da Ni Eun ....

Ah my family is n Pusan I was schooling n Pusan until middle school
I came here to have a better environment for study This is KangNam you know

Anyway

I've seen many pretty girls since I came to Seoul I remember seeing a really pretty girl in my school
Let's guide him to confess.
Are you talking about Da Ni Eun?
...That was easy....
Haha this should be a piece of cake
She's the prettiest girl in the universe
Da Ni Eun? I think I've heard that name before
Haha yeah? Is she your girlfriend?

Well, we are not in a relationship, not even close.
But I will make it happen in near future.
Let's see.
I was a middle schooler when I first saw her.
Love in the first sight, I feel in love with her.
I determined that she was my girl.
And leaving everything behind, I followed her.
I tried to do anything that could attract her attention to me.
My friends called me a fool or something.
But my desire wouldn't die.

JS
Since middle school ?
Have you proposed yet?
Have I tried?
I propose when I
first saw her.
I am a tough guy, dude.
But then,
she scoffed
and said "Bug off".
During 2 days in my
middle schooler
period I proposed
about 100 times
and I was refused
100 times
She has a face of
an angel but her
attitude is as cold
as ice queen
She wouldn't
meet even with
my flaming
love arrows

100 t mes ?
